CAREERS at the SEC

IM Career Opportunities

WHO ARE WE?

A team of professionals in various roles at the U.S. Securities and Exchange Commission's Division of Investment Management. We aim to inspire top talent to consider a career in asset management, and to enlighten candidates on the SEC's recruitment process.

WHAT DO WE DO?

Collaborate with organizations to host recruiting events and initiatives that will increase awareness about careers at the SEC in the asset management field. This includes online webinars and in-person seminars, roundtables and one-on-one sessions with students and professionals from diverse backgrounds.

WHY PARTICIPATE?

- You will learn about careers and job opportunities at the SEC within the Division of Investment Management.
- You will talk with SEC staff about their diverse career paths and the range of professional skills that contribute to Division of Investment Management's mission.

WHO CAN PARTICIPATE?

High schools, colleges, law schools, and professional organizations.

HOW TO CONTACT US?

Please send an email to IM-DEI@sec.gov to schedule an event.
